

# 2014 CABERNET SAUVIGNON

## **Seismically Smooth.**

This 2014 vintage Cabernet Sauvignon offers great balance and excellent acidity. Notes of cherry and cassis, mixed with dark berries are present. The oak is sweet with espresso notes. This Cab has a very rich and inviting profile - huge volume on the palate that carries through to a lush and lengthy finish. Cheers!

Of all of the wines produced in the Napa Valley, only about 1% comes from the Mount Veeder Appellation. This is a rare wine.

Mount Veeder Magic Vineyards produces naturally low-yield Cab from 30-year old vines. All grapes are hand farmed and hand picked. Each bottle is hand labeled. The wine is masterfully crafted by one of Napa Valley's hottest Winemakers, Jeff Fontanella.

Each year, I produce only 600- 700 cases of this highly sought-after Cab. 500 of these cases are offered by invitation to wine connoisseurs who wish to have a rare wine in their private cellar.

The remaining 100-200 cases are available to award winning restaurants that wish to offer a rare wine to their discerning clientele.

*Decanting recommended.*
