

2015 CABERNET SAUVIGNON

Limited & Luscious.

The 2015 vintage Cabernet Sauvignon is powerful, balanced and fruit-driven. Taste juicy red and black cherries with notes of oak and vanilla. Classic Mount Veeder tannins create a long, velvety finish. This Cabernet will only improve with time in the cellar. Cheers!

Of all of the wines produced in the Napa Valley, only about 1% comes from the Mount Veeder Appellation. This is a rare wine.

Mount Veeder Magic Vineyards produces naturally low-yield Cab from 30-year old vines. All grapes are hand farmed and hand picked. Each bottle is hand labeled. The wine is masterfully crafted by one of Napa Valley's hottest Winemakers, Jeff Fontanella.

Each year, I produce only 600- 700 cases of this highly sought-after Cab. 500 of these cases are offered by invitation to wine connoisseurs who wish to have a rare wine in their private cellar.

The remaining 100-200 cases are available to award winning restaurants that wish to offer a rare wine to their discerning clientele. *Decanting recommended.*
