

2018 CABERNET SAUVIGNON

Diamond Finish

This 2018 Cab marks Mount Veeder Magic Vineyards' 10th vintage. This Cab is opaque purple in the glass. The core flavors of wild blueberry preserves, black currant, cherry, cassis, and licorice are vivid and well-defined. Aromas of violet cascade to a rich and silky finish with bright acidity and balanced tannins. This vintage is a perfect 10th anniversary wine.

Of all of the wines produced in the Napa Valley, only about 1% comes from the Mount Veeder Appellation. This is a rare wine.

Mount Veeder Magic Vineyards produces naturally low-yield Cab from 30-year old vines. All grapes are hand farmed and hand picked. Each bottle is hand labeled. The wine is masterfully crafted by one of Napa Valley's hottest Winemakers, Jeff Fontanella.

Each year, I produce only 600 -700 cases of this highly sought-after Cab. 500 of these cases are offered by invitation to wine connoisseurs who wish to have a rare wine in their private cellar.

The remaining 100 - 200 cases are available to award winning restaurants that wish to offer a rare wine to their discerning clientele. Cheers!
