

# 2019 CABERNET SAUVIGNON

## *Depth of Character*

This 2019 Cab is a beautiful balance of depth and concentration with a layered, multi-dimensional flavor profile and bright acidity. Perfumed aromas of wild blueberry, dark fruits, cedar, and a hint of black pepper harmoniously touch the palate. It is full-bodied with a violet hue, rounded fruit expression, and a velvety finish.

Of all the wines produced in the Napa Valley, only about 1% comes from the Mount Veeder Sub-Appellation. This is a rare wine.

Mount Veeder Magic Vineyards produces naturally low-yield Cabs from hillside estate-grown vines that are more than 30-years old. The grapes are hand farmed and hand-picked. Each bottle is hand-labeled. The wine is masterfully crafted by one of Napa Valley's most respected Winemakers, Jeff Fontanella.

Each year, Mount Veeder Magic Vineyards produces only 600 -700 cases of this highly sought-after Cab. Five hundred of these cases are offered by invitation to wine collectors who wish to have a rare wine for their private cellar.

The remaining 100 - 200 cases are available to award-winning restaurants that offer a rare wine to their discerning clientele. Cheers!
